YOU CAN MAKE A DIFFERENCE

Since 1917, local Lions clubs have offered people just like you the opportunity to give something back to their community. Today, with over 1.3 million men and women in more than 190 countries, Lions have expanded their focus to help meet the ever increasing needs of our society.

As a member of a Lions club, you become aware of the needs of our community and have the advantage to effectively make a difference. Our club provides volunteers with project management assistance, leadership training, personal development opportunities, and organized fundraising programs. Being a Lion empowers you to help others in a way that no one person could alone.

Now more than ever, people with vision problems, the environment, our senior community, our youth and the disadvantaged around the world need your help. You can make a difference. By participating in our local Lions club, you can help meet pressing needs in our community and around the world.

The Muskego Lions Club was organized in March of 1950 and was granted a charter by Lions Clubs International on April 15th, 1950.

Our club has 50 men and women members. We also are the sponsor club for the Muskego Leo Club with 20 young men and women ages 12-18.

Our Club meets the second and fourth Mon. of the month at the Club Durham Restaurant at the So. Corner of Hwy's 36 and 45 in Muskego, WI.

Lions International and the men and women of our club are from all walks of life have one motto: **"WE SERVE."** We raise money to fund our projects. All our administrative costs are from dues paid by the members. Every penny of the money raised by our projects goes to support the charities selected by club members.

One of the first projects our club was involved in was the purchase of land that was donated to the city to become Lions Park. Since 1950 and up to now we have been strong supporters of our community .
