WE SERVE

**Madison

We Serve

Today's Lions are women and men dedicated to making their communities better places to live. We are involved in projects we feel passionately about; we improve the lives of those less fortunate. We are goal oriented and ready to make a difference. *We are looking for others who share our commitment.*

Looking for New Experiences?

Are you interested in helping others? Meeting new people? Making an impact at home, and around the world? Our members use their time and talents to provide hands-on assistance to enhance our community. Through these experiences, you will acquire new skills, cultivate lasting friendships, meet challenges head-on and learn a lot about yourself in the process.

Looking for Opportunities?

Do you want to pursue a leadership role? Would you rather lend a helping hand when needed? We offer extensive opportunities for the kind of volunteer experience you desire. You have the alternative to work on projects that interest you, get on the leadership track, or engage in both, all while enriching lives.

Looking for Fulfillment?

When was the last time you did something for yourself? Something that made you feel wonderful? Something that made the world around you a better place? Volunteering your time not only helps those in need, but also gives you a

sense of pride and accomplishment that comes from deep within. There is nothing in the world like that feeling.

Look No Further

If you are looking for an opportunity to help people, broaden your horizons and fulfill your goals, the Madison Central Lions Club has what you are looking for. We offer an amazing spectrum of possibilities. Through more than eight decades our commitment to serving those in need has never wavered, although the ways in which we serve our communities has evolved to keep pace with an ever-changing world.

What we do

Take a look at the list on the right to get a feel for some of the projects and activities we take part in. You will notice the list is varied with one common theme of making a difference in the lives of those less fortunate.

What we ask

We ask that you attend meetings regularly, take an active role in projects and fund raisers and pay your dues in a timely fashion.

What we offer

An invaluable opportunity to have fun while giving back, learning and growing. From taking an active role in projects and meetings to participating in leadership training opportunities, to participating in conventions and sporting events, membership is what you make it.
